I decided I wanted to use American Made Brand Fabric to make my quilt, because ever since I saw this pic of their booth at quilt market I wanted to try it out. Their fabric is 100% sourced and manufactured in the U.S., from the cotton farms to the dyeing process. I love the idea of using homegrown fabric.

Pennies on the sidewalk, rainbows after a storm - we all look for signs. For a quilt with a beautifully spare design, look no further. Playing all the angles, Point Me makes economic use of scraps to create a quilt that literally points you in the right direction: home, bed, dream. Our sample was created with the vintage-modern charm of Denyse's Flea Market Fancy legacy fabrics (out of print).

This video specifically uses my Modern Fans quilt pattern, however, the technique remains the same for sewing all curves. No pins or special tools are involved and it really is as simple as guiding fabric through your machine. For a totally FREE PDF download of the Mod Melons Quilt Pattern, visit this link.. This pattern was designed to use my sewing curves technique.

A home of its own. At first, when I received the machine I put away my NQ900 and put THE Dream Machine 2 in its place. But I quickly found out that I could lose A LOT of time by just sitting and watching it embroider (it's quite mesmerizing to watch LOL).

6 easy accessory storage tips for THE Dream Machine 2

Quilters are familiar with the tradition of creating quilts to commemorate special occasions, so it should be no surprise that one of the most popular DIY wedding gift ideas are handmade wedding quilts.
