The controversy surrounding Lehrer's misuse of Bob Dylan quotes in Imagine and his February 2013 speech to the Knight Foundation feature heavily in Jon Ronson's 2015 book, [according to whom?] [citation needed] So You've Been Publicly Shamed. [page needed] Ronson argues that the media response to Lehrer's journalistic malpractice amounts to shaming, and that is extreme and overdone.

Human resource management (HRM), the management of work and people towards desired ends, is a fundamental activity in any organization in which human beings are employed. It is not something whose existence needs to be elaborately justified: HRM is an inevitable consequence of starting and growing an organization. This article focuses on the scope of HRM and its major subfields.
