PDF also provides a guide for future rendering of the material by maintaining the look and feel of the original text object. KTH keeps the native format, generally Word or TeX/LaTeX, and then creates a PDF version. However, KTH does not consider PDF to be a preservation format since it is proprietary.

Underwater diving, as a human activity, is the practice of descending below the water's surface to interact with the environment. Immersion in water and exposure to high ambient pressure have physiological effects that limit the depths and duration possible in ambient pressure diving. Humans are not physiologically and anatomically well adapted to the environmental conditions of diving, and ...
