and Implementation has been revised and updated to reflect the progress made since Realizing the Promise of Diversity: Ontario's Equity and Inclusive Education Strategy

### Equity and Inclusive Education in Ontario Schools

In military theory, strategy is "the utilization during both peace and war, of all of the nation's forces, through large scale, long-range planning and development, to ensure security and victory" (Random House Dictionary). The father of Western modern strategic study, Carl von Clausewitz, defined military strategy as "the employment of battles to gain the end of war."
