In English orthography, many words feature a silent e, most commonly at the end of a word or morpheme. Typically it represents a vowel sound that was formerly pronounced, but became silent in late Middle English or Early Modern English.. In a large class of words, as a consequence of a series of historical sound changes, including the Great Vowel Shift affecting long vowels, the former ...

The rule of three is a writing principle that suggests that a trio of events or characters is more humorous, satisfying, or effective than other numbers. The audience of this form of text is also thereby more likely to remember the information conveyed because having three entities combines both brevity and rhythm with having the smallest amount of information to create a pattern.

Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.
