Foundations Guide. The guide is your all-in-all source for everything we learn in Foundations (for all 3 cycles). You only need to buy this one time! The first thing you want to do is read the beginning of the guide. Most people never do this, but if you read it you will learn a lot about Foundations!

## Beginners Guide to Foundations - Homeschool Story

Cantilever or strap footings: These are similar to combined footings, except that the footings under columns are built independently, and are joined by strap beam. Lecture Note COSC 421 (M.E. Haque) 6. Raft or Mat foundation: This is a large continuous footing supporting all the columns of the structure.
