world history ancient civilizations pdf

The history of the world, in common parlance, is the history of humanity (or human history), as determined from archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies.. Humanity's written history was preceded by its prehistory, beginning with the Palaeolithic Era ...

History of the world - Wikipedia

Aided by their division of labour and central government planning, civilizations have developed many other diverse cultural traits. These include organized religion, development in the arts, and countless new advances in science and technology.. Through history, successful civilizations have spread, taking over more and more territory, and assimilating more and more previously-uncivilized people.
