Investing means buying an asset that actually creates products and services and cashflow for an extended period of time. Like a piece of a profitable business or a rentable piece of real estate. An investment is something that has intrinsic value “ that is, it would be worth owning from a financial perspective, even if you could never sell it. Now, with that moral sermon out of the way, we ...

Recently, I have been looking at motor homes. You can pick them up for less than the cost of an acre of land. I will most likely get one, if enough time still remains. With a motor home, you can keep most of your supplies in it and be ready to hit the road in a moments notice with the ultimate bug out bag on wheels.

Intelligent design (ID) is a pseudoscientific argument for the existence of God, presented by its proponents as "an evidence-based scientific theory about life's origins". Proponents claim that "certain features of the universe and of living things are best explained by an intelligent cause, not an undirected process such as natural selection." ID is a form of creationism that lacks empirical ...
