Wrestling with Board Dilemmas: Case Studies for Nonprofit

Each case presents a real nonprofit board dilemma, full of the twists and turns of real life and the drama that occurs when people come together to sort out thorny governance issues. Although the organizations and characters in the cases are fictitious, the issues that the cases address are based on situations that BoardSource has encountered in boardrooms around the country.

In general, the size of nonprofit boards has been shrinking. In part, this is a result of the trend noted above: it's harder to recruit and retain good board members. In addition, many boards had grown to a size that was unwieldy, and nonprofit experts began recommending downsizing in the mid-1990s. Boards Wrestling with New Issues and Trends

The wrestling parts of Jericho's fourth book were good and illustrated his points well, but damned if I can remember any of it. Decent enough read but not required. I'm up to JYD leaving Mid-South in Jim Ross' book and it's been fantastic so far. Definitely a different perspective into that period of wrestling.
