

# Write That Book Already The Tough Love You Need To Get Published Now

After a while  
The subtle difference between  
Holding a hand and chaining a soul  
And you learn that love doesn't mean leaning  
And company doesn't always mean security.

And you begin to learn  
That kisses aren't contracts  
And presents aren't promises  
And you begin to accept your defeats  
With your head up and your eyes ahead  
With the grace of a woman  
Not the grief of a child.

And you learn  
To build all your roads on today  
Because tomorrow's ground is  
Too uncertain for plans  
And futures have a way  
Of falling down in mid flight.

After a while you learn  
That even sunshine burns if you get too much  
So you plant your own garden  
And decorate your own soul  
Instead of waiting  
For someone to bring you flowers.

And you learn  
That you really can endure  
That you are really strong  
And you really do have worth  
And you learn and you learn  
With every good bye you learn.
