### Core Academic Skills for Educators: Writing

Revision is the stage in the writing process where the author reviews, alters, and amends their message, according to what has been written in the draft. Revision follows drafting and precedes editing. Drafting and revising often form a loop as a work moves back and forth between the two stages. It is not uncommon for professional writers to go through many drafts and revisions before ...

Scientific writing in English started in the 14th century. The Royal Society established good practice for scientific writing. Founder member Thomas Sprat wrote on the importance of plain and accurate description rather than rhetorical flourishes in his History of the Royal Society of London. Robert Boyle emphasized the importance of not boring the reader with a dull, flat style.
