A third-person pronoun is a pronoun that refers to an entity other than the speaker or listener. The English pronouns he and she are third-person personal pronouns specific to the gender of the person (not to be confused with grammatical gender). The English pronoun they is an epicene (gender-neutral) third-person pronoun that can refer to plural antecedents of any gender and, informally, to a ...

2015 [] Reconstruction:Proto-Slavic/bazovŋŋ []. This page was created on the basis of an entry in the Etymological Dictionary of the Slavic Languages, which in turn was created to be the etymology of Lower Sorbian bazowy (pertaining to elder trees). Perhaps the authors of that dictionary are unaware that Proto-Slavic ŋŋ can sometimes surface as a in Lower Sorbian, but it can, and the ...
