Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending." There are many subgenres of the romance novel, including fantasy, historical romance ...

In literature, writing style is the manner of expressing thought in language characteristic of an individual, period, school, or nation. Thus, style is a term that may refer, at one and the same time, to both conventions that go beyond the individual writer and to singular aspects of individual writing. Beyond the essential elements of spelling, grammar, and punctuation, writing style is the ...
