5.) MEAT: If a animal eats any leafy vegetable all along the West Coast, that animal has consumed radiation, and is poisoned. This is any animal from cows, pigs, goats, sheep to wild deer and other game. If you eat the above foods from areas with high radiation levels, you are eating radiation and feeding it to your children.

'You'll probably hate this post: Why Your Husband Won't Meet Your Needs. Read it anyway.' Click To Tweet. We honestly have an easier deal with marriage than men do because men are so relatively simple (and I don't mean this in a derogatory way; we're just made differently). Give them appreciation and make love, and they will tend to feel tenderly towards us.

A mousetrap is a specialised type of animal trap designed primarily to catch and, usually, kill mice. Mousetraps are usually set in an indoor location where there is a suspected infestation of rodents. Larger traps are designed to catch other species of animals; such as rats, squirrels, other small rodents, or other animals.

You know exactly who you are. You're the one who really has tried everything to get him to come around and fully commit. You're the one who's given him more than enough time to come around and finally make the commitment that would make everything perfect.. And now you know all that's left to do is accept that he just isn't there, isn't on the same page you are, and let him go.
